## EXPERIENCE

Aug. 2016 – Present

### Deloitte Consulting, LLP

Nashville, TN

*Human Capital Consultant*

- Assists clients in addressing their most complex business challenges by aligning Human Resource (HR) strategies and operations with broader business objectives
- Project experience includes capturing requirements for a time and attendance system at a healthcare provider company, designing a high-impact operating model for a public chemical company, and developing and implementing strategic and automated processes at the largest private company in the world, resulting in \$20 million of annual savings
- Manages client relationships, internal resources, and project plans, develops deliverables and communications for various audiences, and facilitates client workshops for 20-100 participants
- Consistently ranked in the top quartile of practitioners all three years; ranked #1 Business Analyst

June 2016 – Present

### The Musicant Family Brain Trust

Franklin Lakes, NJ

*Co-Founder*

- Developed a family foundation to empower traumatic brain injury (TBI) survivors and their families through support services and to fund research initiatives aimed at improving outcomes for those affected by TBI
- Raised \$1 million, conducted extensive research on TBI-related nonprofits, and allocated funds to the Brain Injury Alliance of NJ and Vanderbilt University Medical Center

June 2016 – Present

### Brain Injury Alliance of New Jersey

Edison, NJ

*Board Member, Fundraising & Operations Committee Co-Chair*

- Advises and assists BIANJ in achieving their mission of supporting and advocating for individuals affected by brain injury, while also raising public awareness through education and prevention
- Developed a revised approach for soliciting co-sponsorships, resulting in 30 new co-sponsorship opportunities identified and 2 new co-sponsorships solidified for FY19

Summer 2015

### Marwood Group

New York, NY

*Advisory Intern*

- Researched Medicaid coverage and reimbursement methodologies across 10 states and 4 healthcare markets
- Evaluated the impact of regulatory and legislative changes for 10 private equity firms and corporate clients

Spring 2014

### St. Jude Children’s Research Hospital

Nashville, TN

*Field Operations Intern*

- Originated strategic partnerships between St. Jude and Fortune 500 companies
- Organized and implemented 6 fundraising initiatives in the greater Nashville area, raising over \$2.3 million

## LEADERSHIP

Jan. 2013 – May 2016

### Delta Delta Delta Sorority

Nashville, TN

*Philanthropy Chair*

- Organized fundraising campaigns benefitting St. Jude Children’s Research Hospital and Monroe Carrell Jr. Children’s Hospital at Vanderbilt
- Raised over \$100,000 in 2014, the most of any Greek organization
- Named “Chapter of the Year” at St. Jude Leadership Conference, 2015
